

Johan Vansteenkiste, MD, PhD

Johan Vansteenkiste, MD, PhD, is professor of internal medicine in the Faculty of Medicine at the Catholic University of Leuven, Belgium, and head of clinic in the Respiratory Oncology Unit and its Clinical Trial Unit at the Leuven University Hospital.

Professor Vansteenkiste studied medicine at the Catholic University of Leuven before becoming a board certified pulmonologist-oncologist. He had additional training in respiratory oncology at the European School of Oncology in Milan, Italy, and in respiratory endoscopy at the Laser Centre in Marseille, France, before gaining his PhD at the Catholic University of Leuven in 1996.

Professor Vansteenkiste is an active member of different national and international societies such as the International Association for the Study of Lung Cancer (IASLC), American Society of Clinical Oncology (ASCO), the European Society for Medical Oncology (ESMO), European Respiratory Society (ERS), and others. He was secretary of the Thoracic Oncology Group of the ERS from 1999-2003, and currently member of the ERS School Board. He is member of the Board of Directors of IASLC for 2009-2013 and member of ESMO Educational Group. He chairs the Oncology Committee of the Belgian Society of Pneumology.

He is the principal investigator or co-investigator in several clinical trials in the area of lung cancer. He is associate editor at the *Journal of Thoracic Oncology*, member of the editorial board of the *Journal of Clinical Oncology* and several other journals, and author or co-author of more than 150 peer-reviewed papers and book chapters on respiratory oncology.

He is the recipient of several awards, including the 'Eli-Lilly L. Hertel Chair in Respiratory Oncology', the 'Amgen Chair in Supportive Cancer Care', and the 'Hoffman La Roche Chair in Molecular Targeted Cancer Therapy' at the Catholic University of Leuven.
